

CREATING IBM CLOUD SERVICE

Date	10 NOVEMBER 2022
Project Name	GAS LEAKAGE MONITORING AND ALERTING SYSTEM FOR INDUSTRIES

The screenshot displays the IBM Cloud Dashboard. At the top, there's a header with 'Dashboard' and a dropdown arrow, followed by links for 'Edit dashboard', 'Upgrade account', and a prominent blue 'Create resource' button. Below this, a 'For you' section features five cards: 'Build' (purple gradient), 'Monitor your resources', 'Explore IBM Analytics Engine', 'Create and deploy an application', and 'Create a Kubernetes cluster'. Each card includes a brief description and a 'Getting started' button with a time estimate (5 or 10 minutes). The bottom section contains three tiles: 'User access' with a 'Manage users' link, a 'News' tile for 'IBM Tech Now: October 24, 2022' with a 'View all' link, and 'Planned maintenance' with a 'View all' link. The left sidebar shows various service icons, and the right sidebar has a vertical menu with a plus sign. The Windows taskbar at the bottom shows the time as 09:51 PM on October 24, 2022, with weather information (26°C Cloudy) and system language (ENG).
